INSTRUCTIONS FOR ACCESSING BUAR'S VIRTUAL PUBLIC MEETING

Due to the COVID-19 pandemic, this meeting will be held virtually through publicly-available internet-based "Zoom" technology, as an alternative means of meeting authorized by Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G. L. c. 30A, 20. A quorum of Board members attending virtually will be required, and votes will be taken through roll call as is required by M.G.L. c. 30A ss. 18-25. To prevent inappropriate intrusions into Board business, all public participants will be muted and their video will not be enabled. For security purposes, the "share screen" feature will not be used during the meeting. Public participants with business before the Board on the agenda who wish to speak will use the 'raise hand' icon, or if calling in by telephone, will dial *9 to request to be recognized to speak. The public participant will be unmuted or dial *6 to mute or unmute their telephone. At the end of the meeting, the "Chat" feature in Zoom will be opened to enable public participants to type questions related specifically to any item on the agenda. The Board reserves the right to table any agenda-related question for a future meeting discussion. Other questions that are raised that are not agenda-related will automatically be tabled for a future meeting discussion if the Board determines appropriate. If at any time there appears to be a security compromise or other intrusion or disruption of the meeting, the Board will immediately end the meeting and the agenda will be taken up at the next scheduled Board meeting. If technical difficulties arise that prevent Board members from being able to attend or that prevent the meeting from achieving a quorum or continuation of the meeting, the Board will close the meeting and the agenda will be taken up at the next scheduled Board meeting. Attendees will enter a waiting room and will be admitted by the meeting host. Attendees other than Board members will be muted upon entrance.
